Subject: Address Search Request -Reply -Reply

Sherry and Tom:

Joe Kawecky got back to me today; we have all of the addresses except for AMF which he is looking into. Since we have someone helping on this, I would like to cancel my previous request for assistance. I requested assistance from Tom's office after Joe left for several weeks of annual leave - I didn't expect Joe to get back to me and I hope two people haven't been working on the same thing. Sorry for the confusion. Craig M.

p.s. Sherry: Michelle has the new addresses and I asked her to send the packages.
